Tennis Canterbury Red Ball League

Red Ball League has been created so that we can allow 5-7-year-olds to compete at a level that will suit their age range and skill level.

Supper: I run a roster with every third parent bringing a plate for suppers and social chat after the games

Rain cancellation policy: Generally, I will play unless it is obviously impossible. I'm happy for kids to vote with their feet and I understand that while some are keen to play regardless, others are not so much. We will play with whatever opportunities present themselves. By popular vote we may abbreviate the session and/or maybe revert to table tennis in the pavilion. I will not typically send cancellation notices.

Tim sends weekly notices advising who is playing who, who is on supper duty and a reminder of the venue, usually on Thu/Fri beforehand.
