## **Conduct**

9. Good sporting behaviour is integral to Interclub competition.
10. All Players, Coaches, Parents and Supporters must be fair, considerate and respectful of others.
11. Poor behaviour such as dishonest line calls, swearing, throwing racquets, over-cheering opponents mistakes, time wasting etc, may result in ties being defaulted and/or players being removed from the competition.

13. Hybrid teams (with players from multiple Clubs) may be entered with approval from Tennis Canterbury.
14. Entries must be submitted by the advertised closing date.
15. At least 2 Male and 2 Female players must be named when entering a team.

17. Teams may add players throughout the season, however new players must meet the Player Eligibility criteria (see below) and be approved by Tennis Canterbury.
18. Tennis Canterbury will allocate teams into divisions based on a combination of factors, including but not limited to: WTN ratings, previous team performance, number of entries.
19. Competition winners are automatically eligible to play in a higher grade, while teams finishing last may be relegated.
20. Dates of play will be determined once all entries are received.

## **Player Eligibility**

21. Players must be financial members of Clubs affiliated to Tennis Canterbury.
22. Players can only play for one Club in a season in each competition – Divisional, Mixed and 30+ Doubles are different competitions.
23. Players can only play for one team in a division, e.g. if a Club has 2 teams in one division, the player cannot play for both teams.
24. Teams may include one Junior player per tie.
25. Players cannot play in a lower grade than the one they have been named in.

26. Once a player plays 4 matches during the current season in one grade, they cannot play in a lower grade for the rest of the season.
27. For the last 3 rounds of the competition before playoffs, any new or fill-in player must have a WTN Doubles rating inferior to all other team members of the same gender playing on that day.
28. Using an ineligible player will result in that team losing their tie 6-0 and all points will be awarded to the opposition.

### **Playing Format**

29. Teams consist of 2 Men and 2 Women.
30. Ties consist of 1 Men's Doubles, 1 Women's Doubles and 4 Mixed Doubles rubbers.
31. Men play 1 Men's Doubles and 2 Mixed Doubles. Women play 1 Women's Doubles and 2 Mixed Doubles.
32. All rubbers are short deuce, with the receiving pair nominating who shall receive the deciding point in Men's and Women's rubbers. In Mixed rubbers, the deciding point shall be served to the opponent of the same sex.
33. All rubbers are first to 9 games, with a 7-point tiebreak at 8 games all.
34. Service lets apply. Serve to be re-taken if a let is hit.

### **Short Handed Teams**

35. If a team cannot field a full team, the tie will be defaulted.
36. If a team has to default, it must be advised to the opposition Team Captain and Tennis Canterbury as soon as possible.
37. Any team defaulting more than twice in a season may be withdrawn from the competition.

### **Playing Order**

38. Before play begins, Team Captains must enter their player names and playing orders into MatchPoint.
39. Playing order must be based on WTN Doubles ratings as they appear online on the day of play.
40. If two players have the same WTN Doubles rating, they may play in either order.
41. Players will play the corresponding player from the opposing team in all 3 of their matches, i.e. the Number 1 Male from Team A will play the Number 1 Male from Team B in both of their Mixed Doubles.
42. If a player plays in the incorrect position, that rubber will be awarded to the opposition.

### **Courts and Balls**

43. Only one type of court surface should be used unless mutually agreed by both teams.
44. All ties must be played at the assigned courts unless agreed to by Tennis Canterbury.
45. Wilson US Open Balls must be used for all ties.
46. Each team shall supply 50% of the required new balls for each tie.

### **Scheduled Start Time**

47. Players must be at the allocated courts ready to play at the scheduled start time. If a player is late, play must start within 15 minutes of the scheduled start time, or their first rubber is defaulted.
48. If late players arrive within 30 minutes of the scheduled start time, they may play their remaining rubbers, however if they arrive later than this, the tie will be defaulted.
49. If rubbers in earlier ties are still being played, the oncoming teams must allow these rubbers to be completed. However, all players still must be at the court, ready to play at the scheduled start time.

**During Play**

- 50. Breaks at change of ends must not exceed 1 minute.
- 51. Breaks at the end of each set must not exceed 2 minutes.
- 52. Players are only permitted to fill a drink bottle or take a toilet break at the conclusion of a set unless agreed to by their opponent.
- 53. Play cannot be recorded, or photographed without the consent of the players and/or parents.

**Player Injury**

- 54. If a player is injured before or during a rubber and forced to retire, the incomplete rubber will be defaulted, and the injured player cannot play any other rubbers in the tie.
- 55. Any un-played rubbers involving the injured player will be defaulted and scored 9-0.

**Wet Weather and Unplayable Conditions**

- 56. Tennis Canterbury will make any cancellation calls (for wet weather, extreme wind or heat, etc) 60 minutes prior to scheduled start times and will post these on the Tennis Canterbury Facebook page.
- 57. If no cancellation call has been made by Tennis Canterbury, and it starts raining within the 60 minutes prior to start time or the courts are unplayable, Team Captains may agree to a cancellation.
- 58. If Team Captains don't agree that the tie should be cancelled, then all players must still be at the allocated courts ready to play at the scheduled start time, otherwise they will be defaulted.
- 59. If Team Captains then don't agree that play is possible within 30 minutes of the scheduled start time, the tie is cancelled and points are shared.
- 60. If conditions change during play, Team Captains must agree that it is safe to play on. If play stops and conditions do not improve after 30 minutes, the tie is abandoned and points are shared.

**Competition Points**

- 61. Team Captains must enter and approve results in MatchPoint before teams leave the venue.
- 62. 2 points are awarded for each rubber won in a tie.
- 63. 4 bonus points are awarded for winning the most rubbers in a tie.
- 64. If rubbers are tied, the bonus points are awarded to the team who has won the most games. If still tied, bonus points are shared.
- 65. If a tie is abandoned after play begins and 2 or less of the rubbers are completed, points for the completed rubbers stand, points for incomplete and un-played rubbers are shared and the win bonus for the tie is shared.
- 66. If a tie is abandoned after play begins and 3 or more of the rubbers are completed, points for the completed rubbers stand, points for incomplete and un-played rubbers are shared, and the win bonus is shared unless there is a clear winner.
- 67. There are no points for a bye.
- 68. If a competition comprises round-robin followed by section play, points earned during the round-robin are not carried through to section play.
- 69. If a season cannot be completed, and more than 50% of the competition has been played, the team with the most points will be deemed the winner, otherwise no winner will be declared.

**Playoffs**

70. Competition formats will vary depending on the number of teams in a grade, and where possible, will include a final.
71. If teams finish the round-robin on equal points, the final order will be determined by the results in head-to-head ties. If these are split, the order will be determined by the number of sets won in those ties. If still tied, then on the total games won in those ties. If still tied, then by random draw.
72. If a final is unable to be played, the competition winner will be the team who finished highest in the round-robin.
73. To be eligible to play a final, a player must have played at least 5 times for that team in the current season.
74. If unable to field a team of 4 eligible players for a final, a team may use a maximum of 2 replacements, but only if they:
  - have a WTN Doubles rating inferior to all other team member of the same gender playing on that day,
  - have not played 4 or more times in a higher grade,
  - have not been named in a higher grade team, and
  - are approved by Tennis Canterbury before the tie begins.
75. Tennis Canterbury will determine the location for all finals.
